

FREE MOBILE WEB-APP - "FRIENDS AND LOVERS" REPORT

How compatible are you with a partner, friend, or co-worker?

March 20, 2011

By Michael Erlewine (Michael@Erlewine.net)

How compatible are you with a partner, friend, or co-worker. This handles men and women in all combinations and you choose the kind of relationship you are inquiring about, that of a partner/lover, friend, or co-worker. You can check someone out wherever you are on your phone.

From the iPhone or Android operating systems just go to:

<http://astrologyland.com/>

Let me know what you think.

Please enjoy it and do share it with friends.
