

NEW AND FREE: TAROT LAYOUTS
on iPhone and Android Phones
April 11, 2011

By Michael Erlewine (Michael@Erlewine.net)

Gives you the choice of several layouts and decks. Please share if you like it. It was a lot of work!

There are now eight free web apps for your mobile phone. Just point your iPhone or Android (web-enabled) mobile phone to:

<http://astrologyland.com/>

PC users who want a simulation can go here:

<http://astrologyland.com/m/>

There is no need to embed these web-apps in your mobile phone. Just bookmark them like any other Internet site and you are good to go.

These free apps are brought to you by Matrix Software:
