

GUESS WHAT?
November 24, 2013

By Michael Erlewine (Michael@Erlewine.net)

By now everyone knows my daughter May is having a baby in a few months. She is also recording a solo album of her songs in January at our studio, so I am very much looking forward to that. Click through the link below to see a video of May playing music as part of a Kickstarter project for the new album.

And last but not least, this coming Friday (the day after Thanksgiving), May and Seth will be playing a special concert in our studio here in Big Rapids, Michigan, so if you are looking for a cozy evening with the Erlewine clan and friends, you are invited to attend. The show starts at 7:30 PM, but come early and hang out with us.

Nov 29, 2013 Library Hall, Big Rapids, Michigan
