

LAST PHOTO UNTIL THE WEDDING

July 12, 2011

By Michael Erlewine ([Michael@Erlewine.net](mailto:Michael@Erlewine.net))

My wonderful daughter May is getting married in the next few days and things are... a little wild. And I am, of course, the father of the bride. I will be out of commission for a while, but here is a nice photo of a crab spider to hold you over until I can return.

May is a wonderful singer/songwriter. If you would like to hear her sing, do me the honor of giving her a listen and wish May and her fiancé Seth Bernard well. Here are a couple of links:

I hope you enjoy her music as much as I do.
