It has only been a week or so since we were in the Heart Center Studio recording an album and here we are again. Recording sessions are always special because it is an up time and everyone is on their best behavior plus there is lots of great food and good times.

This week well-known singer/songwriter Joe Reilly is in the studio with a crack team of session players, including Seth Bernard (guitar, vocals), May Erlewine Bernard (vocals, piano), Joshua Davis (keyboards, banjo, et al), Dominic John (bass), Mike Shimmin (drums), and special guest Bob Buchanan (vocals).

Buchanan co-wrote with Gram Parsons the classic tune "Hickory Wind," and is a former member of "The New Christy Minstrels" and "The International Submarine Band." Recording master Ian Gorman is tracking it all and Seth Bernard is helping to produce it.

So lots of music is happening here, and I thought you might like to see a few photos from the sessions.
