

THE EDGE OF DEATH

October 4, 2010

Taking the edge off death ...

It's not that easy,
For death is sharp,
The ultimate reminder,
Perhaps,
That keeps me from,
Forgetting,
Just about everything,
Important.

There is no choice.

I can only,
Look forward,
To death,
Meet it head on,
Eyeball to eyeball,
Yet even I,
Can't stare death down.

In the end,
I am only free,
To finally,
Just go and see.
