Turn On to the Cream at KPPC FM

Notes: This is a thin stock, small poster (or large flyer), on thin pulpy newsprint-like stock], announcing 9 Hawaiian concerts, [part of the "Show of Stars" series of concerts in Hawaii] by BRENDA LEE , CHUBBY CHECKER, Gary Miles, The Casuals & Bob Beckham. 11/30/60 in Maui, 2 shows at the Baldwin Aud., then, 12/1 matinee in Honakaa, and evening show at the Hilo Civic Aud., both on the Big Island, 12/2 early show at Schofield Barracks & late show at the Honolulu Civic Aud., and on 12/3.. (3) shows at the Honolulu Civic Aud.. A lot of work for a girl of 16! The artwork on this piece features 5 earlier boxing style posters for 1959 & 1960 concerts. These in themselves are fascinating. Probably some pretty rare posters. There are many quotes from reviewers, and mention is made of her recent big TV appearances on the Steve Allen Show & The Perry Como Show. She was big on the POP Charts at this point through the mid 60's then gradually became big in the COUNTRY Music scene [she's in the Country Music Hall of Fame]. -- J. Kastor
