

## Small Worlds: Buddhist Shrine

I have been involved with the Karma Triyana Dharmachakra (KTD) Monastery since 1983, when they were just pouring the foundation. Most of the photos shown here were taken at the KTD monastery (KTD) which is located in the mountains above the city of Woodstock, N.Y. KTD is one of the largest Buddhist monasteries in North America, the seat of His Holiness the 17<sup>th</sup> Karmapa, Orgyen Trinley Dorje.

This photo album features photos taken at the KTD Monastery. Here is the link:
